**ITEM IDENTIFICATION:**

Revisions to the UTM Campus Affairs Committee Terms of Reference

**JURISDICTIONAL INFORMATION:**

The Governing Council has established Boards and Committees and assigned responsibilities among those bodies through their terms of reference. The Governing Council has periodically approved changes in Board and Committee terms of reference to respond to changing circumstances, including the need for some routine, minor changes.

**GOVERNANCE PATH:**

1. UTM Campus Affairs Committee [For Information] (March 10, 2026)
2. **UTM Campus Council [For Information] (April 13, 2026)**
3. Executive Committee [For Endorsement & Forwarding] (May 4, 2026)
4. Governing Council [For Approval] (May 13, 2026)

**PREVIOUS ACTION TAKEN:**

Changes to the UTM Campus Affairs Committee Terms of Reference were last approved by the Governing Council, on October 28, 2021, to reflect revisions to the *Policy on Capital Planning and Capital Projects*.

**HIGHLIGHTS:**

The proposed revision to the Campus Affairs Committee's (CAC) membership is to align with changes in the University of Toronto Mississauga's senior administrative structure. The current CAC Terms of Reference (TOR) includes the position of the Chief Administrative Officer (CAO) as one of the Presidential Assessors. It is proposed that reference to a specific title be removed and instead that more

generic language be used, similar to the approach taken in the Terms of Reference for the Audit Committee. Specifically, the “senior officer responsible for financial matters.”

In addition, as the position of the Dean of Student Affairs recently changed to Dean, Student Experience & Wellbeing, it is proposed that “senior officer responsible for student affairs and services” be used instead of a specific title.

This approach ensures that the appropriate roles serve as Presidential Assessors but avoids the need to revise the TOR whenever there is a structural adjustment or a revision to a title.

Both changes are reflected in section 1.1 Composition of the CAC TOR.

The UTM Campus Affairs Committee will use the procedures set out for the meetings of the Committees of the Governing Council.

---

## **6.2 Agenda**

In establishing the agenda for meetings of the Committee, the Chair will usually be advised by an agenda planning group that includes the Vice-Chair and the voting and non-voting assessors. The proposed agenda for a meeting, together with background documentation, is reviewed at an agenda planning meeting, usually scheduled ten to fourteen days prior to the Committee meeting.

Notwithstanding the usual procedure for establishing the agenda for meetings, matters may be added to the agenda of a current or subsequent meeting, as provided in sections 32 (d), (e) and (f) of *By-law Number 2* of the Governing Council.

## **6.3 Consent Agenda**

The Chair, in consultation with the agenda planning group, may determine that an item should be placed on a “consent” portion of the agenda. Those items are not given individual consideration by the Committee unless a member so requests. Rather, members with questions for clarification, or requests for further information, contact the assessor or other contact person shown on the item in advance of the meeting. Members with concerns who would like an item to be discussed by the Committee should notify the Secretary at least 24 hours in advance of the meeting. Upon the request of any member, the matter will be considered by the Committee in the usual manner.

Where a consent item requires a resolution of the Committee, and where no member has requested consideration of the item in the usual manner, the motion will be placed before the Committee and seconded, and it will normally immediately proceed to a vote without introduction or discussion.

Where a consent item is for information only, and where no member has requested consideration of the item in the usual manner, the item will normally be taken as received by the Committee without introduction or discussion.

## **6.4 Additional Reports for Information**

To keep members abreast of developments in a timely manner, certain reports for information required by these terms of reference and others as decided by the Committee Chair from time to time will be considered by the members of the UTM Campus Affairs Committee following their electronic publication. Members will be notified once the reports are made available. Members who have questions about a report will be invited to contact the sponsor of the item. Members with concerns about the report who would like it to be discussed by the Committee should notify the Secretary at least fourteen days in advance of the next meeting to enable consideration by the agenda planning group. The report will be considered by the Committee at that meeting in the usual manner.

### 5.8.2 New Program Proposals

Where a proposal for a new program, as defined by the *University of Toronto's Quality Assurance Process*, will have substantial resource implications requiring additions to a division's approved budget, or where there are significant effects outside of the division offering the program, the Committee advises the UTM Council [through the UTM Academic Affairs Committee] on the planning and resource implications of the proposal. [The UTM Academic Affairs Committee has responsibility for considering the curricular aspects of academic program proposals.]

[Proposed program changes that would not require the allocation of additional resources from sources outside the division and would not have significant effects outside of the division offering the program, do not require the attention of the Committee.]

## 5.9 Annual reports

The Committee receives, annually from its assessors, reports on matters within its areas of responsibility, including statements of current issues, opportunities and problems, and recommendations for changes in policies, plans or priorities that would address such issues.

The Committee receives annually, from the appropriate administrators, reports on services within its areas of responsibility, including but not limited to campus police and campus organizations. These reports are submitted to the University Affairs Board for information.

## 6. PROCEDURES

### 6.1 Meetings

The UTM Campus Affairs Committee normally meets in open session but may, pursuant to section 33 of *By-law Number 2* of the Governing Council, meet in closed session or *in camera* when: (i) matters may be disclosed at the meeting of such a nature, having regard to the circumstances, that the desirability of avoiding open discussion thereof outweighs the desirability of adhering to the principle that meetings be open to the public; or (ii) intimate financial or personal matters of any person may be disclosed at the meeting or part thereof. The UTM Campus Affairs Committee will use the procedures set out for the meetings of the Committees of the Governing Council.

## **6.2 Agenda**

In establishing the agenda for meetings of the Committee, the Chair will usually be advised by an agenda planning group that includes the Vice-Chair and the voting and non-voting assessors. The proposed agenda for a meeting, together with background documentation, is reviewed at an agenda planning meeting, usually scheduled ten to fourteen days prior to the Committee meeting.

Notwithstanding the usual procedure for establishing the agenda for meetings, matters may be added to the agenda of a current or subsequent meeting, as provided in sections 32 (d), (e) and (f) of *By-law Number 2* of the Governing Council.

## **6.3 Consent Agenda**

The Chair, in consultation with the agenda planning group, may determine that an item should be placed on a “consent” portion of the agenda. Those items are not given individual consideration by the Committee unless a member so requests. Rather, members with questions for clarification, or requests for further information, contact the assessor or other contact person shown on the item in advance of the meeting. Members with concerns who would like an item to be discussed by the Committee should notify the Secretary at least 24 hours in advance of the meeting. Upon the request of any member, the matter will be considered by the Committee in the usual manner.

Where a consent item requires a resolution of the Committee, and where no member has requested consideration of the item in the usual manner, the motion will be placed before the Committee and seconded, and it will normally immediately proceed to a vote without introduction or discussion.

Where a consent item is for information only, and where no member has requested consideration of the item in the usual manner, the item will normally be taken as received by the Committee without introduction or discussion.

## **6.4 Additional Reports for Information**

To keep members abreast of developments in a timely manner, certain reports for information required by these terms of reference and others as decided by the Committee Chair from time to time will be considered by the members of the UTM Campus Affairs Committee following their electronic publication. Members will be notified once the reports are made available. Members who have questions about a report will be invited to contact the sponsor of the item. Members with concerns about the report who would like it to be discussed by the Committee should notify the Secretary at least fourteen days in advance of the next meeting to enable consideration by the agenda planning group. The report will be considered by the Committee at that meeting in the usual manner.
