*\*This meeting schedule is consistent with the University's Policy on Scheduling of Classes and Examinations and other Accommodations for Religious Observances [June 29, 2005], and the Human Rights Statement [July 12, 2012]. Some meetings have been scheduled on dates and times to respect religious observances that may be practiced on those days. For similar reasons, no meetings have been scheduled on days where religious observances are expected to be practiced throughout the day. Despite our best efforts, we recognize that we have not been able to avoid meetings during all religious observances.*
