AGENDA ITEM: #7.a

ITEM IDENTIFICATION:

University of Toronto Police: Annual Report 2002, St George Campus

JURISDICTIONAL INFORMATION:

Campus Security is listed as an area of responsibility under the University Affairs Board Terms of Reference. Annual Reports from all three campuses are submitted for information.

PREVIOUS ACTION TAKEN:

The 2001 report was presented to the University Affairs Board on January 21, 2003. We have changed the reporting schedule to provide information on a more timely basis.

HIGHLIGHTS:

The focus of the police service continues to be on community policing – providing a presence that will enhance the feeling that this is a safe place to work and study. Many of the outreach programs relate to crime prevention, awareness and personal safety. Crime incidences declined for the second year in a row, in spite of a larger population. There were three complaints against the police this year, versus none the previous year. All were investigated and found to be unsubstantiated.

FINANCIAL AND/OR PLANNING IMPLICATIONS:

None

RECOMMENDATION:

Report is for information only.
