# ELIGIBILITY REQUIREMENTS FOR CANDIDATES:

'<u>Alumni</u>' are defined in *The University of Toronto Act, 1971* as 'persons who have received degrees or postsecondary diplomas or certificates from the University, or persons who have completed one year of full-time studies, or the equivalent thereof as determined by the Governing Council, towards such a degree, diploma or certificate and are no longer registered at the University.' *The University of Toronto Act* requires that members of the Governing Council be Canadian citizens.

# WORK OF THE GOVERNING COUNCIL

The Governing Council and its Boards and Committees oversee the academic, business and student affairs of the University.

Matters approved by the Council and its Boards include:

- appointment of senior administrators;
- mission statements and policies that guide the operation of the University;
- multi-year budget guidelines and capital plans;
- tuition fees and compulsory non-academic incidental fees;
- establishment, disestablishment, or restructuring of academic units;
- new degree programs;
- major allocations of resources in support of the University's priorities;
- decisions to acquire or dispose of assets.

Information about the Governing Council and its Boards and Committees, including the meeting schedule, membership, Terms of Reference, meeting agendas with links to non-confidential material, and meeting reports are available on the Governing Council web-site (http://www.governingcouncil.utoronto.ca/home.htm). An *Information Manual* for members of the Governing Council is available on the Governing Council web-site at http://www.governingcouncil.utoronto.ca/Page154.aspx.

#### **ROLE OF GOVERNORS**

- Governors are trustees of the University.
  - They are responsible for ensuring that all decisions are made in the best interests of the University.
  - They must ensure that the University will be handed on to successive generations with its strengths intact or improved, and its mission well supported.

# **EFFECTIVE GOVERNORS**

- Understand and passionately support the mission of the University;
- Respect the distinct and separate roles of governance and administration. The Governing Council must ensure that the University is managed well, but responsibility for managing the University is delegated to the President and members of the administration;
- Are committed to gaining an understanding of the context and implications of matters before the Council;
- Understand the overall trusteeship function of a governor and do not focus on one idea or issue;
- Have the capacity for critical thinking, while remaining open-minded to new ideas;
- Engage their fellow governors as well as community, when appropriate, to ensure all stakeholders also support the mission of the University;
- Possess the potential to rise to positions of leadership within the University.

#### **REQUIRED AREAS OF EXPERTISE**

- Understanding of and respect for the mission and values of the University, as articulated in the Statement of Institutional Purpose (http://www.governingcouncil.utoronto.ca/Assets/Policies/Policy/mission.html);
- Knowledge and understanding of postsecondary education;
- Knowledge and experience of the external communities whose support is critical to the University, including governments, alumni groups, and the University's broad range of stakeholders;
- Knowledge and experience in such areas as finance, entrepreneurship, strategic communications, and growth industries (e.g. biotechnology and information technology);
- Interest in and knowledge of the student experience and ways in which it could be enhanced.

#### TIME COMMITMENT

Governors are expected to attend the meetings of Council, and normally to sit on two boards/committees of Council. Meetings are scheduled from September to June, usually begin at 4 p.m. or 5 p.m., and continue for two or two and a half hours. A normal commitment would consist of preparation and meeting time for eighteen meetings a year. Special meetings and *ad hoc* committee assignments would be in addition to that commitment. Current alumni governors estimate the average time commitment to be approximately 4 hours a week, or 176 hours a year, depending on the depth to which governors choose to pursue individual issues.
