

## **Senior Appointments and Compensation Committee of the Governing Council** **Regulation #1**

*(Formerly Regulation #1 of the Senior Salary Committee, approved by the Committee pursuant to its authority under the Policy on Appointments and Remuneration.)*

### **Preamble**

This revised regulation reflects ongoing refinements in governance oversight of senior compensation decisions, updates practices that arise from negotiated agreements and current policies, and clarifies the Committee's continued decision-making authority for specific classes of positions or individuals.

### **Delegation to the President**

The President is delegated the authority to approve individual initial compensation and subsequent changes as outlined below. The President may also sub-delegate his authority to Vice-Presidents and the Chief Financial Officer, individually or in combinations, provided such sub-delegations are in writing and reported to the Committee.

The President shall make an annual report to the Committee of all individual decisions made under this authority.

### **1. Teaching Staff**

The compensation framework for members of the teaching staff is negotiated with the University of Toronto Faculty Association (UTFA) by the administration on behalf of the Governing Council. The administration may seek advice on proposed salary and benefit terms from the Business Board and the Committee. The agreement is approved by the Business Board on behalf of the Governing Council, subject to the specific provisions of the University's Memorandum of Agreement with the Faculty Association with respect to arbitration.

From time to time, the Committee will approve principles for compensation for particular groups of teaching staff that are affected by discipline-specific market factors. In such cases, the Committee will be provided with current, comprehensive market and comparator data.

For members of the teaching staff the President makes an annual report to the Committee on compensation decisions within the approved frameworks. The report, in form to be determined by the Committee from time to time, will include summary data and analyses such as:

- salary distribution by age, academic rank and discipline;
- distribution of PTR awards; and
- distribution of starting salaries.

The Committee will review and approve, at least every five years, a schedule of stipends for the holders of academic administrative appointments (department head and above). Once approved the President or delegate may implement the schedule, bringing only exceptions to the Committee for approval. Administrative leave provisions beyond those provided by established policy shall require the approval of the Committee.

## **2. Vice-Presidents, Deputy and Vice-Provosts and Other Administrative Positions Above the Level of Principal/Dean**

Compensation for these positions remains subject to Committee approval, on recommendation of the President relative to a set of principles or framework approved by the Committee from time to time. This framework will include, but is not limited to, the following components:

- base salary;
- administrative stipends;
- professional supplements;
- pension arrangements;
- supplementary arrangements; and
- merit provisions.

It is understood that the framework will be developed in reference to, and the Committee provided with current, comprehensive market and comparator data.

Across-the-board aspects of negotiated academic compensation and stipends that have been approved by the Committee as part of a general list may be implemented by the President.

### **3. Principals, Deans, University Librarian, Director, School of Continuing Studies, Director, Transitional Year Program**

Compensation arrangements for administrative positions under this clause are approved by the President. They take into account experience, academic rank, discipline and profession and are made relative to a set of principles or framework approved by the Committee from time to time. This framework will include, but is not limited to, the following components:

- base salary;
- administrative stipends;
- professional supplements;
- pension arrangements;
- supplementary arrangements; and
- merit provisions.

It is understood that the framework will be developed in reference to current, comprehensive market and comparator data.

The President will make an annual report to the Committee on decisions made under this clause.

### **4. Administrative Staff**

For administrative staff in classified positions the President is delegated authority to:

- (a) approve compensation, upon initial appointment, within the range established by policy.
- (b) approve annual adjustments arising out of performance evaluation processes as established from time to time within policy.
- (c) approve one-time-only bonus or stipend arrangements for the assumption of extra duties on a time-limited basis. Ongoing incentive arrangements that are exceptions to approved policy are approved by the Committee on the recommendation of the President. Once ongoing arrangements are approved by the Committee, the President may approve annual changes, with a report to the Committee.
- (d) The President will make an annual report to the Committee on decisions made under clauses 4(a), (b) and (c) above.

#### **4. Administrative Staff (cont'd)**

The Committee retains the authority to:

- (a) approve, both on initial appointment and for subsequent changes, compensation for members of the administrative staff that is outside the range established under policy approved by the Governing Council (e.g. Policy for Professionals / Managers).
- (b) approve, on initial appointment and for subsequent changes compensation for members of the administrative staff with a direct reporting relationship to the Governing Council.

#### **5. Other Compensation Matters**

The Committee retains its approval authority over compensation for senior salary staff with respect to items other than those outlined above.

Where Committee approval is required for the compensation arrangements of individuals, the Committee will be consulted in advance of offers being made in writing to individuals (in the case of new appointments) or in advance of individuals being notified of decisions. Exceptions may be approved by the Chairman at the request of the President.
