

MEMORANDUM

To: **Members of the University Affairs Board**

From: Jim Delaney

Date: April 22, 2008

Subject: **University of Toronto Mississauga Student Societies, Representation, and Fees**

The Erindale College Student Union (currently operating as the University of Toronto Mississauga Students' Union, UTMSU) recently held a referendum among part-time undergraduate students at UTM to seek support to realign formal representation of part-time students on the Mississauga campus and to realign the fees paid to the Association of Part-time Undergraduate Students (APUS), the Erindale Part-time Undergraduate Students (EPUS), and UTMSU. At present, the Students' Administrative Council (currently operating as the University of Toronto Students' Union, UTSU) and APUS are recognized by the Governing Council as the formal representatives of UTM students as "representative student committees" pursuant to the *University of Toronto Act* (1947).

The *Act* provides that the Governing Council "may make provision for enabling the students of the University, University College and the federated colleges to appoint a representative committee of themselves to be chosen in such manner as shall be approved by the [Governing Council], which shall be the recognized official student medium of communication on behalf of such students between them and the [Governing Council]."

The referendum, therefore, was designed primarily to (a) support a request to the Governing Council to designate UTMSU as the formal representative of part-time undergraduate UTM students, and to (b) realign fees charged by the University on behalf of APUS and EPUS. This memorandum addresses the issues related to the recognition of a new representative student committee pursuant to the *University of Toronto Act* as well as issues related to the approval of student society fees pursuant to the *Policy for Compulsory Non-Academic Incidental Fees*.

Background

In fall/winter 2007-08, the APUS fee was \$73.71 per session for part-time undergraduate students on all campuses. The EPUS fee was \$8.80 per session in fall/winter 2007-08 for

part-time undergraduate students at UTM. The EPUS fee was \$17.60 for part-time undergraduate students at UTM in summer 2007.

Requests

The letter of request from the presidents of UTMSU and EPUS are attached to this memorandum. The letter delineates six requests:

- 1) That the EPUS fee be reduced to zero;
- 2) That the APUS fee for UTM students be reduced to zero;
- 3) That the fees be adjusted according to the referendum question (see below);
- 4) that EPUS be de-recognized as a student society of the University of Toronto;
- 5) that APUS be de-recognized as the “representative student committee” for UTM part-time undergraduate students; and
- 6) that UTMSU be recognized as the “representative student committee” for UTM part-time undergraduate students.

A referendum was held on February 6-7, 2008, in which part-time undergraduate UTM students were asked to support the proposal. The advertisement for the referendum which appeared in *The Medium* is attached. The wording of the question is as follows:

Preamble:

The University of Toronto Mississauga Students Union (UTMSU) and the Erindale Part-time Undergraduate Students (EPUS) are proposing to fold EPUS into UTMSU and unite all full and part-time UTM undergraduate students together by eliminating UTM part-time undergraduate student membership in EPUS and the Association of Part-Time Undergraduate Students (APUS). In this realignment, the services and representation currently offered by UTMSU, EPUS and APUS would be offered through membership in UTMSU. A UTMSU part-time student levy of \$76.70 per session would replace the current EPUS and APUS levies totalling [sic] \$78.40 per session (EPUS fee of \$ 8.80 per session fee and APUS fee of \$69.60 per session). Annual cost of living and inflation increases would continue to be applied to the relevant designated portions of the fee (subject to the provisions and conditions noted on the back of this ballot) beginning with the fall 2008 session. Fees for the Ontario Public Interest Research Group, the Canadian Federation of Students and the Canadian Federation of Students–Ontario would remain unchanged.

- 2) That UTMSU will undertake, in consultation with the Students Administrative Council, to address the formal representation of full-time undergraduate UTM students.
