

BUSINESS BOARD

1.1 Composition

Total membership is about 31, including at least 12 alumni members or Lieutenant-Governor-in-Council appointees to Governing Council, up to 6 co-opted lay members and 2 administrative assessors selected by the President appointed *ex officio*. There will also be representatives on the Board from teaching staff, administrative staff and students. The usual composition of the Board is shown below. Membership may vary slightly from year to year.

The Secretary of the Governing Council is an *ex officio*, non-voting member.

Members of the Governing Council are appointed to the Board annually by the Council. Other, or “co-opted”, members are appointed by the Board on the recommendation of its Striking Committee (see below). For the co-opted lay member seats, the Chairman of the Governing Council and the Chair of the Business Board shall take particular responsibility for nominating candidates to the Striking Committee.

1.2 Term

Terms begin on July 1 and continue to June 30 of the next year.

Governing Council members are appointed by Council for one-year terms. They may be reappointed, subject to their continued membership on the Council.

Because Governing Council members may in any year fill all places on the Board for administrative staff, alumni, LGIC appointees, teaching staff and students, co-opted members from those constituencies are appointed for a one-year term only, which is renewable if the place is available the next year.

1. MEMBERSHIP (Cont'd)

The co-opted lay member appointments are normally made for three-year terms, which are renewable for a second and, in exceptional circumstances, a third term. In making these appointments, the Board will seek an appropriate balance between continuity and renewal. The Board will also seek to establish a rotation so that the terms of office will be staggered and one third of the co-opted lay members' terms will end each year.

1.3 Chair and Vice-Chair

The Chair and Vice-Chair of the Board are appointed by the Governing Council from among the members of the Council on the Board.

2. QUORUM

One-third of the voting members (usually 11 members).

3. COMMITTEES

3.1 Standing Committees

The Audit Committee reports to the Business Board.

3.2 Special Committees

The Business Board does not normally establish Special Committees. The President or the appropriate Presidential assessor has an obligation to tender advice and develop proposals for action on all matters within the terms of reference of the Business Board.

3.3 Striking Committee

The Striking Committee, appointed annually by the Board on the recommendation of the Chair, shall recommend to the Board: (a) the appointment of co-opted members (members who are not members of the Governing Council) to the Business Board and the Audit Committee and (b) the Chair and Vice-Chair (if any) of the Audit Committee.

Membership of the Striking Committee consists of the Chair of the Board, *ex officio*, plus five members of the Board who shall be selected so that the Striking Committee includes at least one administrative staff member, one alumni member, one Lieutenant-Governor-in-Council appointee, one member of the teaching staff and one student member. The Chair of the Board serves as Chair of the Committee. The Board's voting assessors are invited to attend meetings of the Striking Committee in an advisory capacity.

The Striking Committee meets *in camera* and its recommendations are considered by the Board meeting *in camera*.

6. PROCEDURES

6.1 Meetings

The Business Board usually meets in open session but may, pursuant to section 33 of By-Law Number 2, meet in closed session or *in camera* when: (i) matters may be disclosed at the meeting of such a nature, having regard to the circumstances, that the desirability of avoiding open discussion thereof outweighs the desirability of adhering to the principle that meetings be open to the public; or (ii) intimate financial or personal matters of any person may be disclosed at the meeting or part thereof.

Pursuant to section 33 of By-Law Number 2, the Board routinely moves into closed session at the end of each meeting to consider receipt of any closed session reports from its assessors. Assessors are invited to report on any matters of a confidential nature and to initiate discussion on any policy matters at an early stage of policy development, before they wish to bring a recommendation forward for debate and approval.

6.2 Agenda

In establishing agenda for meetings of the Board, the Chair will usually be advised by an agenda planning group that includes the Vice-Chair and the voting and non-voting assessors. The proposed agenda for a meeting, together with background documentation, is reviewed at an agenda planning meeting, usually scheduled ten to fourteen days prior to the Board meeting.

Notwithstanding the usual procedure for establishing the agenda for meetings, matters may be added to the agenda of a current or subsequent meeting, as provided in sections 32 (d), (e) and (f) of By-Law Number 2, by: a vote of two thirds of the members present and voting to add a matter to the agenda of a meeting; a resolution to determine that a matter be included on the agenda of a subsequent meeting; a written request signed by at least 10% of the voting members and submitted at a meeting that a stated matter be included on the agenda of the next regular meeting; or a notice of motion approved by the Chair for inclusion on the agenda of a subsequent meeting.

6.3 Consent agenda

The Chair may determine that an item should be placed on a “consent” portion of the agenda. Those items are not given individual consideration by the Board, unless a member so requests. Rather, members with questions for clarification, or requests for further information, contact the assessor or other contact person shown on the item in advance of the meeting. Members with concerns who would like an item to be discussed by the Board notify the Secretary well in advance of the meeting. Upon the request of any member, the matter will be considered by the Board in the usual manner. Consent items may be distributed by the Secretary with the agenda and other items for a meeting or in advance of it. To keep members abreast of developments in a timely manner and to provide members with the most time possible to review items before meetings, assessors are encouraged to make consent items available to the Secretary for distribution as soon as possible.

6. PROCEDURES (Cont'd)

6.4 Level of approval for matters coming before the Board

The Chair of the Board, with the advice of the Board's agenda planning group and subject to the duly established authority of the Executive Committee of Governing Council, has the authority to interpret the terms of reference of the Board with respect to whether an item should be placed on the Board's agenda for recommendation to the Governing Council, for approval, or for information and discussion.

Notwithstanding the above paragraph, where the Chair has determined that a matter is to come before the Board for approval, and prior to the adoption by the Board of a resolution to determine the matter, the Chairman of the Governing Council, the Chair of the Board, the President or an administrative assessor acting for the President, or the Board itself, may, pursuant to section 31(d) of By-Law Number 2, determine that the matter is major in significance with respect to the University as a whole or with respect to the public or fiduciary responsibilities of the Governing Council, and the Chairman, Chair, President, assessor or Board, as the case may be, may require that the action of the Board be submitted to the Council for confirmation. Where a matter is referred to the Governing Council pursuant to this provision, the action taken by the Board shall not have effect unless confirmed by the Council.

This provision does not apply to actions taken by the Board under its delegated authority under section 31(b) of By-Law Number 2 to act on behalf of the Governing Council with respect to agreements with the teaching or administrative staff of the University concerning the remuneration or benefits, terms of employment, rights or privileges available to employees of the University that are directly related compensation or that are negotiated in a collective fashion for a class or group of employees of the University.

6.5 Board and administrative responsibility

Given the nature of its responsibilities and the absence in the unicameral system of a collegial body with the statutory right to advise it, the Business Board normally exercises its powers (a) through judging proposals for policies, programs and major transactions brought forward by the President and the Board's assessors, and (b) through monitoring reports from those officers on matters within these terms of reference.

The Board will normally rely on the President and the Board's assessors to develop proposals and options for its consideration. The President's responsibility as Chief Executive Officer would oblige him/her or his/her colleagues to advise the Business Board on all issues within its terms of reference.

The Board will normally accept or reject proposals from the President or the appropriate administrative assessor(s) or refer them back for further consideration of a particular aspect(s). The Board will not normally amend proposals developed by the administration, apart from minor amendments (a) that do not contravene the sense of the original motion or negate it, and (b) that are accepted by the President or the appropriate assessor.

The President or an assessor acting on the President's behalf will have the right to withdraw from consideration any proposal the administration has made for action, prior to a final vote being taken on the proposal or on an amended version of the proposal, subject to the Board's residual power to schedule an item for discussion or debate at a future meeting of the Board.

6. PROCEDURES (Cont'd)

6.5 Board and administrative responsibility (Cont'd)

Similarly, in the event that a proposal is presented to the Board other than through an administrative recommendation, the President or appropriate assessor has the right to defer action until the next meeting of the Board.

Notwithstanding anything else in this clause 6.5, the Business Board will still possess the residual power of Governing Council to take any action deemed appropriate concerning a matter within its responsibility in some unforeseeable circumstance and to determine what matters of business should come before it.
