Paul Ruppert:

The interests of administrative staff need strong and clear representation on Governing Council, especially during uncertain economic times with tough decisions coming. With more than 20 years of dedicated service to the University, and experience gained from working at the Departmental, College, and Divisional levels, I will be your voice. I have had a strong record of success as your representative on Academic Board. I will work to make certain that the needs and concerns of all administrative staff are represented and considered at Governing Council. My record is clear. I work for you. Together, we make a difference! paul.ruppert@utoronto.ca

Donna R. Wheeler:

I'm running for Governing Council because I believe that administrative staff needs effective representation at the highest level. I've been with the university for the past twenty years and am a laboratory technician at EEB. As your representative on GC, I'll work hard to protect jobs, advocate for more resources for staff development and ensure that your voice is heard on pensions and budgetary issues. I'm Co-Chair of the departmental Health and Safety Committee and Union Steward for Arts and Science. These attributes have equipped me with the knowledge and experience that will help make the positive decisions on GC.
