Items for approval

JURISDICTIONAL INFORMATION:

The University's Policy on Ancillary Fees makes provision in category 6 for a University Schedule of User Fees and Fines. A copy of the policy is attached (Attachment A).

Under the policy, the introduction or removal of a fee from the Schedule must be submitted to the Business board for review and approval.

A new University Schedule of Administrative User Fees and Fines for 2011-2012 (Attachment B) is attached for the Business Board's information.

PREVIOUS ACTION TAKEN:

The Schedule comes forward annually.

HIGHLIGHTS:

Category 6 fees include fees for special registration arrangements, optional copies of records, special arrangements relating to examinations, placement fees, library fines, application fees and other services. None of these fees is subject to the MTCU policy on ancillary fee protocols.

Details of the new fees and the fees to be removed are given on the following pages.

FINANCIAL AND/OR PLANNING IMPLICATIONS:

In 2009-2010, these fees produced \$13,402,046 in income for the University's academic divisions, which closely matched the costs of providing the relevant services.

FOR APPROVAL:

The University's policy requires that requests for the addition of fees to the schedule be submitted to the Business Board for review and approval:

There are ten requests for new fees to be added to the schedule:

Request 1 Faculty of Arts & Science

Woodsworth College within the Faculty of Arts & Science is offering one new location for its Summer Abroad Program to India. The fee will cover additional administrative costs for running the program.

6.6 Other user fee or fine	2011-12
Summer Abroad Site Service Fees - India Half Course Fee	\$1,981

Request 2 Faculty of Arts & Science

In addition, Woodsworth College is offering one new session for its Summer Abroad Program to Brno. The fee will cover additional administrative costs for running the program.

6.6 Other user fee or fine	2011-12
Summer Abroad Site Service Fees - Central Europe (Brno) course fee (session 1)	\$862

Request 3 Faculty of Arts & Science

The Faculty of Arts & Science is proposing a fee for providing course descriptions. The fee will cover additional administrative costs for producing the document.

6.2 Records and documents	2011-12
Copies of Course Descriptions (per session)	\$5

Request 4 Faculty of Applied Science and Engineering

The Faculty of Applied Science and Engineering is proposing a registration fee of \$3,000 per student in the ReFresh Program. ReFresh is a winter semester program that is designed to help students who have withdrawn from their first year studies after their first semester. The majority will return in September to repeat their first-year studies. The goal is to help students develop a stronger foundation in the core academic concepts required to be successful in engineering as well as to teach students the important study skills and life skills necessary to do well and deal with the pressures of university. During the 10 weeks of the course, students will attend lectures and tutorials on Calculus, Linear Algebra, Physics, Computer Programming and Chemistry. There will also be seminars on Time Management, Emotional Intelligence, Problem Solving, Test and Exam Prep, Procrastination, etc. There will also be a personal writing component, as students will write down their reflections on what they found challenging during their first semester and what they can do to improve for the next year. There will be a final exam in each course. The students in this program will be considered as U of T non-degree students.

6.1 Registration Fees	2011-12
ReFresh Program	\$3,000

Request 5 Faculty of Medicine

The Department of Occupational Therapy within the Faculty of Medicine is proposing a new fee for photocopies of student records. The fee will cover additional administrative costs for certifying the records. In addition, it will be in line with the fee charged by other divisions for their Letter of Confirmation which is similar to the photocopies of student record.

6.2 Records and documents	2011-12
Photocopies of Student Records	\$10

Request 6 and 7 Faculty of Nursing

The Faculty of Nursing is charging a site visit fee for Nurse Practitioner (NP) Students out of Ontario. The fee for sites within Ontario is \$100; for all other sites is \$1,000.

These two fees are the result of restructuring the existing fee for site visits. The names of the new fees have been changed from “out of province clinical placement fee compliance with respective provincial accreditation standards”. Also, the Faculty of Nursing is differentiating the fee based on the site location (i.e. \$100 for Ontario and \$1000 for all other sites). As part of

accreditation process for the out of province NP students, a site visit is necessary so that students would be eligible to write their provincial exams for NP.

6.4 Placement fee	2011-12
NP Student Site Visit for Out Of Ontario Students - Ontario Site	\$100

6.4 Placement fee	2011-12
NP Student Site Visit for Out Of Ontario Students – All Other Sites	\$1,000

Request 8, 9, 10 Faculty of Applied Science and Engineering

The Institute of Biomaterials & Biomedical Engineering (IBBME) within the Faculty of Applied Science and Engineering is proposing a set of new fees to cover additional costs within the clinical streams in the MHS and PhD Biomedical Engineering programs. The clinical streams in these programs require additional services to manage the significant logistics related to the unique components of the programs such as arranging and monitoring clinical internships, record keeping to accommodate accreditation requirements and a rigorous application process, which includes admission interviews.

6.2 Records and documents	2011-12
MHS and PhD Clinical BME accreditation documents	\$277

6.4 Placement fee	2011-12
MHS and PhD Clinical BME internship fee per placement	\$651

6.7 Application fee	2011-12
MHS and PhD Clinical BME application to Year 1	\$651

The University's policy requires that requests for removal of fees be submitted to the Business Board for review and approval:

There are two requests for fees to be removed from the schedule:

Request 1 Faculty of Nursing

The Faculty of Nursing is no longer charging out of province clinical placement fee compliance with respective provincial accreditation standards. This is due to the fee restructuring; as described above, two new fees are proposed to replace this fee.

6.4 Placement fee	2010-11	2011-12
Out of Province Clinical Placement Fee for Compliance With Respective Provincial Accreditation Standards	\$1,000	n/a

Request 2 Office of Convocation

The Office of Convocation is proposing to remove the fee of \$3 for each additional copy of the same degree. The fee for each additional copy will be the same as the 1st replacement copy. In the past, the fee was \$7 for the first copy, and \$3 for each additional copy. This new fee structure reflects the actual cost associated with producing the certificates.

6.2 Records and documents	2010-11	2011-12
Certification Of Degree - Each Additional Copy Of The Same Degree	\$3	n/a

- 1.1 Student Services
- 1.2 Health Services
- 1.3 Athletics
- 1.4 Hart House
- 1.5 Constituent College fees (excludes college library fees which are prohibited)

¹All fees in this category are compulsory.

The Ministry of Education and Training's Compulsory Ancillary Fee Policy requires that protocols be established in order to increase or add new fees to this category.

2.0 Student organisations and services provided by such organisations²

- 2.1 Student society fees including any portion thereof in support of student initiated health plans and communications.
- 2.2 Social and cultural services (excluding Hart House)

²In accordance with the Ministry of Education and Training's Compulsory Ancillary Fee Policy fees established by student governments, including those resulting from referenda sponsored by them are excluded from the protocol requirement.

3.0 Student levies for specific, limited projects³

Student organisations may establish levies for specific, limited projects within the University which are designated by them.

The University may act as a collection agent for the student organisation, but the fees will either be passed directly to the respective student organisation or to a restricted account for the purpose(s) designated by the organisation.

³Such fees must be approved by student referenda as required by the Ministry of Education and Training's Compulsory Ancillary Fee Policy. These fees are exempt from the protocol requirement of the Ministry's policy.

All fees in Categories 1.0, 2.0 and 3.0 that are compulsory will be governed by the University's Policy on Compulsory Non-academic Incidental Fees. The application of the Policy will not preclude the assignment of Category 3.0 Student levies for specific, limited projects to academic purposes.

Fees charged to recover costs must relate to those costs, and may not exceed them, or a reasonable estimate of them. The only cost recoveries that may be charged are those shown on the University Schedule of Cost Recovery Fees, which initially shall be the list of cost recoveries shown in the University's submission to the Ministry of Training & Education, February 16, 1987. The fees shown on the Schedule may be adjusted annually by administrative authority (the Vice-Provost, Planning & Budget) provided that the adjustments relate to changes in cost, and are for goods and services that comply with the Policy on Ancillary Fees. All changes shall be reported annually to the Business Board for information.

⁴Such fees, whether or not they are compulsory, are exempt from the Ministry of Education and Training's Compulsory Ancillary Fee Policy protocol requirement.
