JURISDICTIONAL INFORMATION:

The Terms of Reference of the University Affairs Board provide that the Board is responsible for policy concerning student services and for overseeing their operations. The Board receives annually from its assessors reports on matters within its areas of responsibility, including statements of current issues, opportunities and problems, along with recommendations for changes in policies, plans or priorities that would address such issues.

Pursuant to the terms of the *Memorandum of Agreement between The University of Toronto, The Students' Administrative Council, The Graduate Students' Union and The Association of Part-time Undergraduate Students for a Long-Term Protocol on the Increase or Introduction of Compulsory Non-tuition Related Fees* (the "Protocol"), approved by Governing Council on October 24, 1996, the Council on Student Services (or the relevant body within a division of the University, in this case the UTM Quality Services to Students Council) reviews in detail the annual operating plans, including budgets and proposed compulsory non-academic incidental fees, and offers its advice to University Affairs Board on these plans.
