Candidates' Statements

Professor Ellen Hodnett

I am currently a member of Governing Council, and I am in my second year as Chair of the Academic Board. I am a member of the Implementation Committee of the Task Force on Governance, Chair of the Agenda Committee of Academic Board, a member of the Committee for Honorary Degrees, and an ex-officio member of the Executive Committee of Governing Council. Recently I was a member of the Presidential Advisory Committee to appoint a Vice-President, Academic Operations. I would very much like to continue my leadership role in governance, as a way to “give back” prior to my retirement.

Professor Luc Tremblay

I have been actively involved in university governance since 1992 in four different universities: the University of Montreal, McMaster University, the University of Houston, and of course, the University of Toronto. This experience includes spearheading the creation of a graduate student association and being a member of multiple constitution communities as a faculty member. I am fully bilingual and truly committed to the wellbeing of all members of the University of Toronto community.
