where?

12th April, 1973

Mr. D.S. Claringbold,
Secretary to the Governing Council,
Simcoe Hall,
University of Toronto.

Dear Mr. Claringbold,

On March 7th, 1973, the Council of the Faculty of Law passed the following resolution:

"That two alumni be added to Faculty Council as voting members; that they be chosen annually by the Law Alumni Association; and that the alumni members of Faculty Council be subject to the same conditions with respect to exclusion from meetings as are student members."

As there is some doubt in our minds as to whether certain previous changes were in fact approved by the Board of Governors, the existing composition of the Faculty Council of the Faculty of Law is the composition as established by the University of Toronto Act, as varied by resolutions of Council passed on February 28, 1969, April 24, 1970, November 30, 1971 and April 21, 1972.

In brief, three students were added to Council by the February 28, 1969 resolution, and the number was increased to a ratio of one student to three full-time faculty members (then, and presently involving ten student members) by the April 24, 1970 resolution. The remaining resolutions involved mode of election of student members and other matters of detail.

A consolidated resolution, incorporating all of the changes referred to above was passed on April 21, 1972, and reads as follows:

1. A. That the number of student members of the Faculty Council be maintained at a ratio of approximately three full-time faculty members to one student member and that since there will be at least 29 full-time faculty members on the Council as of July 1, 1970, 10 students be added as voting members of the Council, subject to the conditions set forth below;

Continued

- B. That the President of the Students' Law Society be one of the student members of the Faculty Council and that the remaining student members be elected from only the first and second year classes at the end of February each year by all students in the three years; provided however, that at least three of such remaining student members shall be students from each of the first and second year classes; provided further, however, that such remaining student members shall be elected at an election held specifically and solely for the purpose of electing them members of the Faculty Council, and that such election may be held contemporaneously with the election of officers to the Students' Law Society Council and nothing contained herein shall prevent a student from serving as a member of the Faculty Council concurrently with his being a member of the Students' Law Society Council;
- C. That the term of the student members of the Council commence on July 1 of each year and end on June 30 of each year, with the exception of the President of the Students' Law Society, whose term shall commence upon his election as President and end upon the election of his successor in office or until he no longer remains in office, whichever occurs first;
- D. That subject to paragraphs E, F, and G below, Faculty Council meetings shall be open to students in the Faculty of Law and to part-time instructors in the Faculty of Law;
- E. That no student in the Faculty of Law and no student member of the Council shall be entitled to be present during the discussion of or vote upon;
- (1) any matter involving the academic standing or scholastic offences of any individual student;
 - (2) any matter which may involve the appointment, promotion, salary or tenure of any member of the Faculty; or
 - (3) any matter upon which the Faculty Council deems that participation by students would be inappropriate.

Continued

- F. That no person not a member of Council shall be entitled to take part in any debate of Council, or address Council, unless invited to do so by Council;
 - G. That the Faculty Council may, by resolution passed at any time before or during a meeting other than a meeting to which Paragraph E applies, exclude some or all persons who are not members of the Council from attending the meeting and in such case, the student members of the Council shall observe the same limitations upon disclosure of discussion at meetings of Council that are recognized by all other members.
 - H. That the Dean is hereby authorized to designate the place and time for the holding of the Council meetings as he sees fit, subject to such requirements as to notice as may from time to time be established by Council.
- II.
- A. That the present standing committees of the Faculty Council, except the Graduate Committee and the Admissions Committee viz. the Curriculum, Library and the Joint Staff-Student Committees have student representatives who shall be student members of the Faculty Council, with the exception of the Joint Staff-Student Committee which shall have one member of the first year class who shall be the first year representative of the Students' Law Society who received the greatest number of votes in the annual election for first year representatives;
 - B. That, subject to paragraph C, there be substantial student representation on the Curriculum, Library and Joint Staff-Student Committees.
 - C. That the Joint Staff-Student Committee consist of an equal number of faculty members and of students and that such Committee is hereby empowered to discuss and, upon discussion, attempt to reach consensus among its members on any matter referred to it by any student or by the Council of the Faculty.

To clarify the situation, we request that you place before the Governing Council, or its appropriate committee, for consideration, and, if thought fit, approval, of:

Continued

- (i) The amendments to the constitution of the Council of the Faculty of Law, governing the membership and voting rights in the Council, as set forth in the consolidating resolution dated April 21, 1972;
- (ii) The amendment to the Constitution of the Council of the Faculty of Law, as amended by the consolidating resolution dated April 21, 1972, as passed by Council on March 7th, 1973, and set forth at the beginning of this letter.

We recognize that some of the matters referred to, such as the provision for constitution of the Council for dealing with scholastic offences, involve matters which are currently under review by the Governing Council or its Committees, and that, if, as and when the Governing Council determines a university-wide policy, some of these provisions may be automatically superceded. Until that time, however, it is our view that the Council as constituted by these resolutions, under which (save as to the addition of alumni) we have in fact been operating, has demonstrated itself as successful for the purposes of this Faculty.

Yours very truly,

R. E. Scane,
Associate Dean.

REPORT NUMBER 50 OF THE ACADEMIC AFFAIRS COMMITTEE - MAY 7th 1974

1. Additional Recommendations Arising Out of the Hygiene Task Force Report (Cont'd)

Dean Butler was asked about the usual procedure for the selection of chairmen of graduate departments and he explained that in cases where the undergraduate chairman was not the same as the graduate chairman, the School of Graduate Studies had asked the President to set up a search committee. In the Division of Community Health, there would not be an undergraduate department.

YOUR COMMITTEE RECOMMENDS

THAT search committees be convened as soon as possible to identify candidates for the position of Associate Dean of the Division of Community Health and for the Chairmanships of the new Departments. If possible, appointments to these positions should be made soon enough to become effective from the date of establishment of the reorganized structures, or earlier if appropriate. In the case of the search committee for the new department chairmen, including chairmen of graduate departments, the President should be given special authority, in striking each committee, to select and name an appropriate chairman of the committee.

THE FOLLOWING ITEMS ARE REPORTED FOR INFORMATION

2. Amendments to the Constitution of the Faculty of Medicine

Dr. Steiner presented and reviewed proposed amendments to the constitution of the Faculty of Medicine, a copy of which is attached hereto as Appendix "A". It was noted that these were minor.

It was pointed out that the representation added from outside the Faculty was minimal.

YOUR COMMITTEE APPROVED

The amendments to the Constitution of the Faculty of Medicine, a copy of which is attached hereto as Appendix "A".

3. Amendments to the Constitution of the Faculty of Law

There was a brief discussion of the proposed amendment to the constitution of the Faculty of Law, during which it was explained that the change was proposed to enable the President of the Students' Law Society to continue as a member of the Faculty Council until the end of the session, although his or her successor had been elected and will also automatically be a member of the Faculty Council.

YOUR COMMITTEE APPROVED

The following amendment to the Constitution of the Faculty of Law:

"THAT the President of the Students' Law Society whose normal term of office has ended, shall continue to sit on Faculty Council until June 30th, next following with the right to participate in all proceedings of Council and, in the event that his or her successor as President already sits as an elected member of Faculty Council, with the right to vote."

Dr. D.A. Chant
Vice-President & Provost
Simcoe Hall
University of Toronto
Toronto, Ontario

Dear Dr. Chant:

The Faculty of Law submits to the Academic Affairs Committee for their information and approval, if necessary, changes in the student representation on the Faculty Council.

Student representation will remain at ten members. However, starting in the Fall of 1979, there will be two representatives from First year. At the present time, there is no provision for representation from First year.

In accordance with the changes approved at the Faculty Council meeting of December 6, 1973, student representation from the Fall of 1979 will be as follows:

- 2 students from First year
- 3 students from Second year
- 3 students from Third year
- 1 student from either Second or Third year
- The President of the Students' Law Society

Yours very truly,

(Ms.) Marie T. Huxter

2. Business Arising Out of the Report (Cont'd)Item 6 - Proposal for a Faculty of Architecture and Landscape Architecture (Cont'd)

for the period July 1st, 1980, to January 31st, 1983; that the Dean of the Faculty serve as Acting Chairman of the Department of Architecture until such time as a Chairman can be appointed following the establishment and recommendation of a search committee according to the Haist Rules;

- 5) THAT a Faculty Council be established with a constitution to be developed, subject to the approval of Governing Council, no later than December 31st, 1980;
- 6) THAT the Dean of the Faculty bring forward to the Vice-President and Provost and the Vice-President - Research and Planning and Registrar, a comprehensive statement of objectives, plans and priorities for the Faculty in the light of existing corresponding statements for its programmes, as soon as possible after July 1st, 1980 but no later than December 31st, 1980; and
- 7) THAT the Faculty be allowed to retain the existing different Grading Practices for the two departments, and that this be subject to review by the Office of the Vice-President and Provost no later than December 31st, 1981.

3. Order of Business

The Chairman asked that the Committee vary the order of business to consider the Constitution of the Faculty of Law as the next item on the agenda.

4. Faculty of Law - Proposed Constitution

At the invitation of the Chairman, Dean Iacobucci introduced the amended Constitution for the Council of the Faculty of Law.

In outlining the changes to the Constitution, Dean Iacobucci noted that first year students would now be allowed to sit as members of the Council and there was provision also for a representative of the graduates students to be a non-voting member. He referred to an amendment proposed by Professor Chant to allow the President to be an ex-officio member of the Council and stated that there was provision for this in the University of Toronto Act and the Faculty of Law would have no objection. He pointed out that the new Constitution did not entirely replace everything that had gone before. There was presently an issue before the Faculty Council relating to academic appeals and this would likely result in a constitutional revision at some time in the near future.

After a brief discussion of some of the details of the proposed Constitution,

YOUR COMMITTEE RECOMMENDS

THAT the Constitution of the Faculty of Law, with an amendment to Section 2(a) to include in accordance with the University of Toronto Act, Section 75(1), the ex-officio membership of the President of the University, a copy of which is attached hereto as Appendix "A", be approved.

MEMORANDUM TO: Faculty Council

FROM: C. W. Morgan

NOTICE OF MOTION OF A SPECIAL RESOLUTION TO AMEND
THE RESOLUTION WITH RESPECT TO THE MEMBERSHIP OF FACULTY
COUNCIL AND ITS COMMITTEES

On October 8, 1980 the students of the Law School voted by way of referendum to alter the method by which students are elected to the Students' Law Society and the Faculty Council. The alteration does not affect the source of candidates (i.e. how many from each year), it only affects the voting constituency (who can vote for whom).

Without these changes, the existing procedure would allow all students to vote for any candidate in any election. The change would allow only first year students to vote for the first year representatives on SLS and Faculty Council in the Fall term by-election. In all other elections all students would continue to be eligible to vote for any candidate from any year.

This change affecting both the SLS and Faculty Council requires an amendment to each of their respective constitutions. A student referendum relating to the SLS Constitution is self-executing. A student referendum relating to the Constitution of the Faculty Council is not. It merely expresses what the students want. The change must be approved by a majority of the members of Faculty Council and then be approved by Governing Council.

As a result, the following special resolution to amend the Resolution with Respect to Membership of Faculty Council and its Committees will be moved at the meeting of Faculty Council to be held on October 22, 1980

RESOLVED THAT "A. Resolution with Respect to the Membership of Faculty Council and its Committees", as enacted by Faculty Council on April 11, 1979 be amended as follows:

1. Paragraph 6(c) is repealed and the following substituted therefor:

"(c) The term of the Student Members from the First Year Class elected pursuant to section 4(c) hereof, shall begin upon their election and shall end on 30 June next following."

2. Paragraph 4(c) is repealed and the following substituted therefor:

"(c) Two members from the First Year Class, to be elected during the first week of October."

3. Paragraph 5(b) is repealed and the following substituted therefor:

"(b) (i) All full-time undergraduate students in the Faculty shall be eligible to vote at the election of Student Members to be elected pursuant to section 4(d) hereof; and,

(ii) Only full-time undergraduate students of the First Year Class in the Faculty shall be eligible to vote at the election of Student Members to be elected pursuant to section 4(c) hereof.
