Candidates' Statements

Professor Edward Iacobucci

I have served on Governing Council since 2011, during which I served on the Executive Committee (2012-current) and the Business Board (2011-2012). I have also served on three corporate boards, UTAM's board for a brief transition period, and the board of a self-regulatory organization in the investment industry. The University faces a unique set of strategic challenges and governance concerns, and I believe that my background would continue to serve me well on Governing Council.

Professor Sandy M. Smith

Dr. Sandy Smith is a Professor in the Faculty of Forestry and cross-appointed to the School of the Environment, EEB, and UTSC. Her research addresses ecosystem resilience to better manage urban forests. She has served as Interim Dean (2010-2012), Graduate Coordinator (1996-2005), UTFA rep (1989-2012), and on 45+ academic tenure, promotion and administrative committees since 1988. She is a Board member of the Toronto Parks & Tree Foundation, LEAF, Ontario Invasive Plant Council, has served on NSERC grant and Invasive Species Science panels, and was elected Fellow of the Royal Entomological Society and President of the Entomological Society of Canada.
