IMPLEMENTING THE UTM ACADEMIC PLAN

• Sustainability initiatives (Global Climate Strike/Conference/Certificate)

• Writing and numeracy initiatives
  - Involves hiring of 5 new faculty and approval of a new EDU-A.

• Assist departments to introduce and/or expand Experiential Learning opportunities (particular professional experience certificates)
  - Meet the needs of all departments to help integrate experiential learning into every student’s degree.

• Oversee faculty growth and renewal
  - Support the development of research clusters in areas leading to new programs both at the undergraduate (e.g. social coding, robotics) and graduate (urban innovation) levels while ensuring strategic renewal within current departments.

• Enhance diversity of faculty and staff
  - Build an environment for success for all faculty and staff (introduce and improve training/mentoring in terms of teaching and research).

• Arts, Culture, and Technology Building
  - Bridging areas across a range of departments and units: ICCIT, Computer Science & Robotics, Blackwood Gallery, and UTM Indigenous Centre.
