From time to time the UTM Council may find it useful to establish Special Committees to consider particular issues. Special Committees are normally formed on the recommendation of the UTM Council Agenda Committee, when, in the view of the UTM Council, one or more of the following conditions exist:

- a) an issue cannot be accommodated easily within Standing Committee schedules - either intense scrutiny is required in a relatively short time or thorough examination of complex issues is necessary over a relatively long period of time;
- b) an issue does not fall readily under an existing Standing Committee - either because it is not clearly within any Standing Committee's terms of reference or because aspects of the issue cut across several bodies;
- c) there is a need for the participation of experts not represented on the relevant committee.

A recommendation from the UTM Council Agenda Committee to establish a Special Committee shall include terms of reference, an outline of membership, the anticipated reporting date and the date of disestablishment.

6. PROCEDURES

6.1 Meetings

The UTM Council normally meets in open session but may, pursuant to section 33 of *By-law Number 2* of the Governing Council, meet in closed session or *in camera* when: (i) matters may be disclosed at the meeting of such a nature, having regard to the circumstances, that the desirability of avoiding open discussion thereof outweighs the desirability of adhering to the principle that meetings be open to the public; or (ii) intimate financial or personal matters of any person may be disclosed at the meeting or part thereof. The UTM Council will use the procedures set out for the meetings of the Committees of the Governing Council.

6.2 Consent Agenda

The UTM Council Agenda Committee may determine that an item should be placed on a “consent” portion of the agenda. Those items are not given individual consideration by the UTM Council, unless a member so requests. Rather, members with questions for clarification or requests for further information may contact the assessor or other contact person shown on the item in advance of the meeting. Members with concerns who would like an item to be discussed by the UTM Council should notify the Secretary at least 24 hours in advance of the meeting. Upon the request of any member, the matter will be considered by the UTM Council in the usual manner.

Where a consent item requires a resolution of the UTM Council, and where no member has requested consideration of the item in the usual manner, the motion will be placed before the UTM Council and seconded, and it will normally immediately proceed to a vote without introduction or discussion.

Where a consent item is for information only, and where no member has requested consideration of the item in the usual manner, the item will normally be taken as received by the UTM Council without introduction or discussion.

6.3 Additional Reports for Information

To keep members abreast of developments in a timely manner, certain reports for information required by these terms of reference and others as decided by the UTM Council Agenda Committee from time to time will be considered by means of electronic publication. Members will be notified once the reports are made available. Members who have questions about a report will be invited to contact the sponsor of the item. Members with concerns about the report who would like it to be discussed by the UTM Council should notify the Secretary at least fourteen days in advance of the next meeting to enable consideration by the UTM Council Agenda Committee. The report will be considered by the UTM Council at that meeting in the usual manner.
