Executive Committee, October 19, 2021

Revisions to the Terms of Reference of the Planning and Budget Committee, the Academic Board, the Business Board, and the UTM and UTSC Campus Councils, and Campus Affairs Committees

were amended to include reference to the relevant policies and associated guidelines in considering proposals to establish, disestablish, or significantly restructure academic units.

The Terms of Reference of the Academic Board were most recently revised in October 2019. These changes were related to membership composition.

Revisions to the Business Board Terms of Reference were approved by Governing Council on December 14, 2017, replacing the Terms of Reference previously approved on June 23, 2016, related to the authority to approve real estate purchases or disposal of real estate.

HIGHLIGHTS:

The proposed changes to the UTM and UTSC Campus Councils and Campus Affairs Committees (CCs and CACs), the Planning & Budget Committee, the Academic Board, and the Business Board Terms of Reference (TORs), arise out of the new proposed Policy on Capital Planning and Capital Projects (See Item 4c). Changes to the TORs are intended to update them with respect to policy requirements, enhance the ability of governance bodies to execute their respective mandates and to better align, as appropriate, the TOR with current practices.

These changes include reference to the Capital Projects approval levels, clarification of project budget increases and changes in scope to reflect the revisions to the Policy effective October 28, 2021. Further, the scope of authority for each of these governance bodies about the approval and recommendation of capital projects, has been clarified.

An additional change specific to the Business Board has been made to Section 5.2: Capital Projects including the acquisition of land, development and construction of new buildings and physical infrastructure; and Four Corners and Infrastructure Projects. The proposed revisions pertain to the specific role of the Business Board for the approval of the financing and execution of capital projects, Four Corners and infrastructure projects, property acquisitions, capital leases, and real estate partnerships.

will use the procedures set out for the meetings of the Committees of the Governing Council.

6.2 Agenda

In establishing the agenda for meetings of the Committee, the Chair will usually be advised by an agenda planning group that includes the Vice-Chair and the voting and non-voting assessors. The proposed agenda for a meeting, together with background documentation, is reviewed at an agenda planning meeting, usually scheduled ten to fourteen days prior to the Committee meeting.

Notwithstanding the usual procedure for establishing the agenda for meetings, matters may be added to the agenda of a current or subsequent meeting, as provided in sections 32 (d), (e) and (f) of By-law Number 2 of the Governing Council.

6.3 Consent Agenda

The Chair, in consultation with the agenda planning group, may determine that an item should be placed on a “consent” portion of the agenda. Those items are not given individual consideration by the Committee unless a member so requests. Rather, members with questions for clarification, or requests for further information, contact the assessor or other contact person shown on the item in advance of the meeting. Members with concerns who would like an item to be discussed by the Committee should notify the Secretary at least 24 hours in advance of the meeting. Upon the request of any member, the matter will be considered by the Committee in the usual manner.

Where a consent item requires a resolution of the Committee, and where no member has requested consideration of the item in the usual manner, the motion will be placed before the Committee and seconded, and it will normally immediately proceed to a vote without introduction or discussion.

Where a consent item is for information only, and where no member has requested consideration of the item in the usual manner, the item will normally be taken as received by the Committee without introduction or discussion.

6.4 Additional Reports for Information

To keep members abreast of developments in a timely manner, certain reports for information required by these terms of reference and others as decided by the Committee Chair from time to time will be considered by the members of the UTM Campus Affairs Committee following their electronic publication. Members will be notified once the reports are made available. Members who have questions about a report will be invited to contact the sponsor of the item. Members with concerns about the report who would like it to be discussed by the Committee should notify the Secretary at least fourteen days in advance of the next meeting to enable consideration by the agenda planning group. The report will be considered by the Committee at that meeting in the usual manner.

The UTM Campus Affairs Committee will use the procedures set out for the meetings of the Committees of the Governing Council.

10 For concurrence with the recommendation of the UTM Academic Affairs Committee.
6.2 Agenda

In establishing the agenda for meetings of the Committee, the Chair will usually be advised by an agenda planning group that includes the Vice-Chair and the voting and non-voting assessors. 6.3 Consent Agenda

The Chair, in consultation with the agenda planning group, may determine that an item should be placed on a “consent” portion of the agenda. Rather, members with questions for clarification, or requests for further information, contact the assessor or other contact person shown on the item in advance of the meeting. Members with concerns who would like an item to be discussed by the Committee should notify the Secretary at least 24 hours in advance of the meeting. Upon the request of any member, the matter will be considered by the Committee in the usual manner.

Where a consent item requires a resolution of the Committee, and where no member has requested consideration of the item in the usual manner, the motion will be placed before the Committee and seconded, and it will normally immediately proceed to a vote without introduction or discussion.

Where a consent item is for information only, and where no member has requested consideration of the item in the usual manner, the item will normally be taken as received by the Committee without introduction or discussion.

6.4 Additional Reports for Information

To keep members abreast of developments in a timely manner, certain reports for information required by these terms of reference and others as decided by the Committee Chair from time to time will be considered by the members of the UTM Campus Affairs Committee following their electronic publication. Members will be notified once the reports are made available. Members who have questions about a report will be invited to contact the sponsor of the item. Members with concerns about the report who would like it to be discussed by the Committee should notify the Secretary at least fourteen days in advance of the next meeting to enable consideration by the agenda planning group. 6. PROCEDURES

---

9 For concurrence with the recommendation of the UTSC Academic Affairs Committee.
6.1 Meetings

The UTSC Campus Affairs Committee and its sub-committees normally meet in open session but may, pursuant to section 33 of By-law Number 2 of the Governing Council, meet in closed session or in camera when: (i) matters may be disclosed at the meeting of such a nature, having regard to the circumstances, that the desirability of avoiding open discussion thereof outweighs the desirability of adhering to the principle that meetings be open to the public; or (ii) intimate financial or personal matters of any person may be disclosed at the meeting or part thereof. The UTSC Campus Affairs Committee will use the procedures set out for the meetings of the Committees of the Governing Council.

6.2 Agenda

In establishing the agenda for meetings of the Committee, the Chair will usually be advised by an agenda planning group that includes the Vice-Chair and the voting and non-voting assessors. The proposed agenda for a meeting, together with background documentation, is reviewed at an agenda planning meeting, usually scheduled ten to fourteen days prior to the Committee meeting.

Notwithstanding the usual procedure for establishing the agenda for meetings, matters may be added to the agenda of a current or subsequent meeting, as provided in sections 32 (d), (e) and (f) of By-law Number 2 of the Governing Council.

6.3 Consent Agenda

The Chair, in consultation with the agenda planning group, may determine that an item should be placed on a “consent” portion of the agenda. Those items are not given individual consideration by the Committee, unless a member so requests. Rather, members with questions for clarification, or requests for further information, contact the assessor or other contact person shown on the item in advance of the meeting. Members with concerns who would like an item to be discussed by the Committee should notify the Secretary at least 24 hours in advance of the meeting. Upon the request of any member, the matter will be considered by the Committee in the usual manner.

Where a consent item requires a resolution of the Committee, and where no member has requested consideration of the item in the usual manner, the motion will be placed before the Committee and seconded, and it will normally immediately proceed to a vote without introduction or discussion.

Where a consent item is for information only, and where no member has requested consideration of the item in the usual manner, the item will normally be taken as received by the Committee without introduction or discussion.

6.4 Additional Reports for Information

To keep members abreast of developments in a timely manner, certain reports for information required by these terms of reference and others as decided by the Committee Chair from time to time will be considered by the members of the UTSC Campus Affairs Committee following their electronic
publication. Members will be notified once the reports are made available. Members who have questions about a report will be invited to contact the sponsor of the item. Members with concerns about the report who would like it to be discussed by the Committee should notify the Secretary at least fourteen days in advance of the next meeting to enable consideration by the agenda planning group. The report will be considered by the Committee at that meeting in the usual manner.

The President may appoint annually University Officers as non-voting assessor members of the Committee.

1 Also approved as part of the terms of reference of the Planning and Budget Committee (June 1994) was the following: “The proposal to merge the responsibilities of the present Budget and Planning and Priorities Committees is intended to eliminate existing overlaps in jurisdiction, which have resulted in a number of important issues being examined in an unnecessarily artificial manner in several forums. Equally important is the need to ensure that increasing demands for accountability can be responded to in an effective manner. To this end, the proposal entails additional delegation of authority with appropriate reporting to the Committee, streamlined approval processes and increased flexibility for the Chair of the Committee in agenda planning. Further opportunities in these areas should be identified as the new Committee begins to operate.”

2 Members of Governing Council may or may not be members of the Academic Board. Non-members of Governing Council must be members of the Academic Board.

When sufficient governors are not available, the number of non-governor members is increased to the required total. The seats for 12 members of the teaching staff should be allocated between members elected to the Governing Council and/or the Academic Board and those who hold their seats ex officio, in the ratio of their seats on the Board: 8 elected teaching staff and 4 deans or principals.

The total size of the Committee may be varied slightly, up or down, with the approval of the Chair of Governing Council.
1.2 Term

Terms are for one year, beginning July 1, and may be renewed.

1.3 Chair and Vice-Chair

The Chair and Vice-Chair shall be appointed by the Academic Board.

2. QUORUM

One-third of the voting members (normally 9).

3. FUNCTION

The Committee, which reports to the Academic Board, is responsible for monitoring, reviewing and making recommendations concerning a broad range of planning issues and priorities and for the use of University resources (including, but not limited to: staff positions, funds, space and facilities, and campus lands). Many of the matters within the Committee's scope are matters that have an impact on relationships amongst divisions and relationships between the University and the community at large.

4. AREAS OF RESPONSIBILITY

4.1 Planning and Monitoring

The Committee is responsible for policy on planning. The Committee reviews and makes recommendations on the University’s general planning framework. Specific areas in which recommendations are made to the Academic Board include:

- policy on the organization of planning;
- statements of the University's mission or general objectives;
- statements of multi-year University principles and objectives for academic planning;
- guidelines for divisional academic plans;
- statements of general divisional objectives;
- enrolment plans and policies;
The Committee is responsible for monitoring planning activities and documents as may be required by general policy, as specified herein or by resolution of the Academic Board. Divisional academic plans are considered by the Committee and the Academic Board for information and feedback. Prior to approval by the Provost and presentation to the Committee, it is expected that the relevant divisional Council would endorse the academic plan in principle. The Committee receives periodic reports from the Vice-President and Provost on the implementation of academic plans.

The Committee reviews, on its own decision or on the recommendation of the Vice-President and Provost, the academic and budget plans of divisions in cases where a division is substantially altering its programs or having significant difficulty in implementing approved plans.

The Committee conducts periodic reviews of the budget plans of non-academic portfolios, to consider appropriateness of resources and effective and efficient use of resources in support of University plans and priorities. [Academic service areas, such as the Library, are the responsibility of the Committee on Academic Policy and Programs.]

4.2 Campus and facilities

4.2.1 Policy

Campus master plans and policy governing the approval of capital plans and projects are recommended to the Academic Board for consideration.

4.2.2 Capital Priorities List guidelines and Campus Master Plans

Master Plans for the St. George Campus are recommended to the Academic Board for consideration.

Capital Priorities for the St. George Campus are presented annually for information.  

---

3 The Policy on Capital Planning and Capital Projects states that “[a] presentation of capital projects prioritized for the year in response to existing and anticipated program needs, will be made annually at the first meeting of the relevant governance bodies. This presentation will set out the strategic importance of prioritized capital projects as part of the University’s strategic and operational planning process so as to provide context for the Capital Projects expected to be coming forward to governance bodies in that year.” [SECTION 1.(b)]
4.2.3 Individual plans and capital projects

The Committee considers reports of project planning committees for capital projects on the St. George campus and recommends to the Academic Board approval in principle of projects (i.e. site, space plan, overall cost and sources of funds) with a capital cost as specified in the Policy on Capital Planning and Capital Projects. [The Business Board is responsible for approving the establishment of appropriations for individual projects and authorizing their execution within the approved costs.] The level of approval required is dependent on the type and cost of the project. Significant changes to a space program/approved project require the same level of approval as the original proposal.

---

4 Capital projects include development and construction of new buildings and physical infrastructure to support University facilities, construction of Leasehold Improvements, Property Acquisitions, Real Estate Partnerships, Capital Leases, and/or renovations other than Deferred Maintenance. [See further definitions set out in the Policy on Capital Planning and Capital Projects]

5 The current requirements, as defined in the Policy on Capital Planning and Capital Projects, are:

If a project will require financing as part of the funding, the project proposal must be considered by the Business Board.

Project Budget $5 million or less (Approval Level 1)

- Authority to approve projects on the St. George campus, with a value less than $5 million and for all other applications that fall under the responsibility of the Capital Project and Space Allocation Committee (CaPS) is delegated to the CaPS Committee established by the Vice-President University Operations.

Project Budget over $5 million and up to $20 million (Approval Level 2)

- Capital projects over $5 million and up to $20 million will be considered by the Planning and Budget Committee for projects at the St. George campus and by the respective Campus Affairs Committees and Campus Councils for projects at the University of Toronto Mississauga and University of Toronto Scarborough and recommended to the Academic Board for consideration. It is expected that such projects will be placed on the Board’s consent agenda and be confirmed by the Executive Committee of the Governing Council. Execution of such projects is approved by the Business Board.

Project Budget over $20 million and all projects requiring short and long term financing (Approval Level 3)

Proposals for capital projects exceeding $20 million must be considered by the appropriate Boards and Committees of the Governing Council on the joint recommendation of the Vice President and Provost and the Vice President, University Operations. The Planning and Budget Committee will consider projects at the St. George campus and the respective Campus Affairs Committees and Campus Councils will consider projects at University of Toronto Mississauga and University of Toronto Scarborough and recommend them to the Academic Board for consideration. Normally, they will require approval of the Governing Council. Execution of such projects is approved by the Business Board.

Approval Levels:

Level 1 Projects ($10 million or less)

4.4.2 Where a proposal for a new program, as defined by the University’s Quality Assurance Process*, will have substantial resource implications requiring additions to a division’s approved budget, or where there are significant effects outside of the division offering the program, the Committee advises the Academic Board on the planning and resource implications of the proposal and, if it deems it appropriate (a) concurs with the recommendation of the Committee on Academic Policy and Programs to the Academic Board that the proposed program be approved, and (b) where required, recommends the addition to the division’s budget. [The Committee on Academic Policy and Programs has responsibility for considering the curricular aspects of academic program proposals.]

[Proposed program changes that would not require the allocation of additional resources from sources outside the division, and would not have significant effects outside of the division offering the program, do not require the attention of the Committee.]

* The definition of new academic programs is that contained in the University of Toronto’s Quality Assurance Process (UTQAP), as approved by the Ontario Universities Council on Quality Assurance (http://www.vpacademic.utoronto.ca/Assets/VP+Academic+Digital+Assets/pdf/UTQAP+document.pdf).

4.5 Policy submissions to and agreements with external bodies

4.5.1 Submissions that establish new policy positions will be reviewed first by either the Committee or by another Governing Council body and approved by the Executive Committee. In the case of the latter, the Committee shall be informed of the nature of the submission.

Submissions to external agencies that summarize existing policies and practices are the responsibility of the President and should be submitted for information to the appropriate body of Governing Council.

4.5.2 The Committee recommends to the Academic Board for consideration templates for agreements with external bodies. Individual agreements that do not conform to the template are reviewed by the Committee for recommendation to the Academic Board and confirmation by the Executive Committee. Plans for fundraising campaigns are approved by the Governing Council on the recommendation of the Business Board.]

5. PROCEDURES

The Committee usually meets in open session but may, pursuant to section 33 of By-Law Number 2, meet in closed session or in camera when: (i) matters may be disclosed at the meeting of such a nature, having regard to the circumstances, that the desirability of avoiding open discussion thereof outweighs the desirability of adhering to the principle that meetings be open to the public; or (ii) intimate financial or personal matters of any person may be disclosed at the meeting or any part thereof.

In establishing agendas for meetings of the Committee, the Chair normally will be advised by a planning group that includes the Vice-Chair, two other members of the Committee, recommended by the Academic Board Striking Committee and approved by the Academic Board, and the voting and non-voting assessors. The proposed agenda for a meeting, together with background documentation, is reviewed at an agenda planning group meeting scheduled ten to fourteen days prior to the Committee meeting.

The Chair of the Committee, with the advice of the Committee’s agenda planning group and subject to the duly established authority of the Agenda Committee of the Academic Board, the Academic Board, and the Executive Committee of Governing Council, has the authority to interpret the terms of reference of the Committee with respect to whether an item should be placed on the Committee's agenda for recommendation to the Academic Board, for Committee approval or for information and discussion.

5.1 Consent agenda
The Chair may determine that an item should be placed on a “consent” portion of the agenda. Those items are not given individual consideration by the Committee, unless a member so requests. Rather, members with questions for clarification, or requests for further information, contact the assessor or other contact person shown on the item in advance of the meeting. Members with concerns who would like an item to be discussed by the Committee should notify the Secretary at least 24 hours in advance of the meeting. Upon the request of any member, the matter will be considered by the Committee in the usual manner.

Where a consent item requires a resolution of the Committee, and where no member has requested consideration of the item in the usual manner, the motion will be placed before the Committee and seconded, and it will normally immediately proceed to a vote without introduction or discussion.

Where a consent item is for information only, and where no member has requested consideration of the item in the usual manner, the item will normally be taken as received by the Committee without introduction or discussion.
5.2 Additional Reports for Information

To keep members abreast of developments in a timely manner, certain reports for information required by these terms of reference and others as decided by the Chair from time to time will be considered by the members of the Committee following their electronic publication. Members will be notified once the reports are made available. Members who have questions about a report will be invited to contact the sponsor of the item. Members with concerns about the report who would like it to be discussed by the Committee should notify the Secretary at least fourteen days in advance of the next meeting to enable consideration by the agenda planning group. The report will be considered by the Committee at that meeting in the usual manner.

The Secretary of the Governing Council is an ex officio, non-voting member.

Members of the Governing Council are appointed to the Board annually by the Council. Other, or “co-opted”, members are appointed by the Board on the recommendation of its Striking Committee (see below). For the co-opted lay member seats, the Chair of the Governing Council and the Chair of the Business Board shall take particular responsibility for nominating candidates to the Striking Committee.
1. MEMBERSHIP (Cont’d)

1.2 Term

Terms normally begin on July 1 and continue to June 30.

Governing Council members are appointed by Council for one-year terms. They may be reappointed, subject to their continued membership on the Council.

Because Governing Council members may in any year fill all places on the Board for administrative staff, alumni, teaching staff and students, co-opted members from those constituencies are appointed for a one-year term only, which is renewable if the place is available the next year.

The co-opted lay member appointments are normally made for three-year terms, which are renewable for a second and, in exceptional circumstances, a third term. In making these appointments, the Board will seek an appropriate balance between continuity and renewal. The Board will also seek to establish a rotation so that the terms of office will be staggered and one third of the co-opted lay members’ terms will end each year.

1.3 Chair and Vice-Chair

The Chair and Vice-Chair of the Board are appointed by the Governing Council from among the members of the Council on the Board.

2. QUORUM

One-third of the voting members (usually 11 members).

3. COMMITTEES

3.1 Standing Committees

The Audit Committee reports to the Business Board.

3.2 Special Committees

The Business Board does not normally establish Special Committees. The President or the appropriate Presidential assessor has an obligation to tender advice and develop proposals for action on all matters within the terms of reference of the Business Board.
3. COMMITTEES (Cont’d)

3.3 Striking Committee

The Striking Committee, appointed annually by the Board on the recommendation of the Chair, shall recommend to the Board: (a) the appointment of co-opted members (members who are not members of the Governing Council) to the Business Board and the Audit Committee and (b) the Chair and Vice-Chair (if any) of the Audit Committee.

Membership of the Striking Committee consists of the Chair of the Board, ex officio, plus five members of the Board who shall be selected so that the Striking Committee includes at least one administrative staff member, one alumni member, one Lieutenant-Governor-in-Council appointee, one member of the teaching staff and one student member. The Chair of the Board serves as Chair of the Committee. The Board’s voting assessors are invited to attend meetings of the Striking Committee in an advisory capacity.

The Striking Committee meets in camera and its recommendations are considered by the Board meeting in camera.

(b) which Governing Council is required by statute or specific contractual obligation to approve; or

(c) which are reserved to Governing Council by these terms of reference, as amended from time to time by Governing Council.

The President or designate holds delegated authority to act for Governing Council with respect to approval of business transactions in the normal course of business.

Authority for approval in specific matters is as follows. The specific items below are intended to supplement, not limit, the general statements above in sections 4 and 5.

---

2 This section provides that “Where the Council, with respect to any matter or class of matters, has conferred on any committee reporting directly to it authority to act on its behalf, and where, prior to the adoption by the committee of a resolution to determine the matter, the Chairman of the Governing Council, the Chair of the committee, the President (or an administrative assessor acting for the President), or the committee itself is of the opinion that the matter is major in significance with respect to the University as a whole or with respect to the public or fiduciary responsibilities of the Governing Council, the Chairman, Chair, President or committee, as the case may be, may require that the action of the committee be submitted to the Council for confirmation.” This provision does not apply to actions taken by the Board with respect to “agreements with the teaching or administrative staff of the University concerning the remuneration or benefits, terms of employment, rights or privileges available to employees of the University that are directly related to compensation or that are negotiated in a collective fashion for a class or group of employees of the University.”

It is constituted so as to have significant expertise and the President and the UTAM Board have agreed that it can provide direct input to UTAM staff as they carry out their duties. 14 Employment policies within the jurisdiction of the Academic Board are defined in By-Law Number 2, section 31(b) as matters “with respect to the nature of academic employment” assigned by resolution of the Governing Council to the Academic Board.

6. PROCEDURES

6.1 Meetings

The Business Board usually meets in open session but may, pursuant to section 33 of By-Law Number 2, meet in closed session or in camera when: (i) matters may be disclosed at the meeting of such a nature, having regard to the circumstances, that the desirability of avoiding open discussion thereof outweighs the desirability of adhering to the principle that meetings be open to the public; or (ii) intimate financial or personal matters of any person may be disclosed at the meeting or part thereof.

Pursuant to section 33 of By-Law Number 2, the Board routinely moves into closed session at the end of each meeting to consider receipt of any closed session reports from its assessors. Assessors are invited to report on any matters of a confidential nature and to initiate discussion on any policy matters at an early stage of policy development, before they wish to bring a recommendation forward for debate and approval.

6.2 Agenda

In establishing agenda for meetings of the Board, the Chair will usually be advised by an agenda planning group that includes the Vice-Chair and the voting and non-voting assessors. The proposed agenda for a meeting, together with background documentation, is reviewed at an agenda planning meeting, usually scheduled ten to fourteen days prior to the Board meeting.
6. PROCEDURES (Cont’d)

6.2 Agenda (Cont’d)

Notwithstanding the usual procedure for establishing the agenda for meetings, matters may be added to the agenda of a current or subsequent meeting, as provided in sections 32 (d), (e) and (f) of By-Law Number 2, by: a vote of two thirds of the members present and voting to add a matter to the agenda of a meeting; a resolution to determine that a matter be included on the agenda of a subsequent meeting; a written request signed by at least 10% of the voting members and submitted at a meeting that a stated matter be included on the agenda of the next regular meeting; or a notice of motion approved by the Chair for inclusion on the agenda of a subsequent meeting.

6.3 Consent agenda

The Chair may determine that an item should be placed on a “consent” portion of the agenda. Those items are not given individual consideration by the Board, unless a member so requests. Rather, members with questions for clarification, or requests for further information, contact the assessor or other contact person shown on the item in advance of the meeting. Members with concerns who would like an item to be discussed by the Board should notify the Secretary at least 24 hours in advance of the meeting. Upon the request of any member, the matter will be considered by the Board in the usual manner.

Where a consent item requires a resolution of the Board, and where no member has requested consideration of the item in the usual manner, the motion will be placed before the Board and seconded, and it will normally immediately proceed to a vote without introduction or discussion.

Where a consent item is for information only, and where no member has requested consideration of the item in the usual manner, the item will normally be taken as received by the Board without introduction or discussion.

6.4 Additional reports for information

To keep members abreast of developments in a timely manner, certain reports for information required by these terms of reference and others as decided by the Chair from time to time will be considered by the members of the Board following their electronic publication. Members will be notified once the reports are made available. Members who have questions about a report will be invited to contact the sponsor of the item. Members with concerns about the report who would like it to be discussed by the Board should notify the Secretary at least fourteen days in advance of the next meeting to enable consideration by the agenda planning group. The report can then be considered by the Board at that meeting in the usual manner.
6. PROCEDURES (Cont’d)

6.5 Level of approval for matters coming before the Board

The Chair of the Board, with the advice of the Board’s agenda planning group and subject to the duly established authority of the Executive Committee of Governing Council, has the authority to interpret the terms of reference of the Board with respect to whether an item should be placed on the Board’s agenda for recommendation to the Governing Council, for approval, or for information and discussion.

Notwithstanding the above paragraph, where the Chair has determined that a matter is to come before the Board for approval, and prior to the adoption by the Board of a resolution to determine the matter, the Chair of the Governing Council, the Chair of the Board, the President or an administrative assessor acting for the President, or the Board itself, may, pursuant to section 31(d) of By-Law Number 2, determine that the matter is major in significance with respect to the University as a whole or with respect to the public or fiduciary responsibilities of the Governing Council, and the Chair of the Governing Council, the Chair of the Board, the President, assessor or Board, as the case may be, may require that the action of the Board be submitted to the Council for confirmation. Where a matter is referred to the Governing Council pursuant to this provision, the action taken by the Board shall not have effect unless confirmed by the Council.

This provision does not apply to actions taken by the Board under its delegated authority under section 31(b) of By-Law Number 2 to act on behalf of the Governing Council with respect to agreements with the teaching or administrative staff of the University concerning the remuneration or benefits, terms of employment, rights or privileges available to employees of the University that are directly related compensation or that are negotiated in a collective fashion for a class or group of employees of the University.

6.6 Board and administrative responsibility

Given the nature of its responsibilities and the absence in the unicameral system of a collegial body with the statutory right to advise it, the Business Board normally exercises its powers (a) through judging proposals for policies, programs and major transactions brought forward by the President and the Board’s assessors, and (b) through monitoring reports from those officers on matters within these terms of reference.

The Board will normally rely on the President and the Board’s assessors to develop proposals and options for its consideration. The President’s responsibility as Chief Executive Officer would oblige him/her or his/her colleagues to advise the Business Board on all issues within its terms of reference.

The Board will normally accept or reject proposals from the President or the appropriate administrative assessor(s) or refer them back for further consideration of a particular aspect(s). The Board will not normally amend proposals developed by the administration, apart from minor amendments (a) that do not contravene the sense of the original motion or negate it, and (b) that are accepted by the President or the appropriate assessor.
6. PROCEDURES (Cont’d)

6.6 Board and administrative responsibility (Cont’d)

The President or an assessor acting on the President’s behalf will have the right to withdraw from consideration any proposal the administration has made for action, prior to a final vote being taken on the proposal or on an amended version of the proposal, subject to the Board’s residual power to schedule an item for discussion or debate at a future meeting of the Board.

Similarly, in the event that a proposal is presented to the Board other than through an administrative recommendation, the President or appropriate assessor has the right to defer action until the next meeting of the Board.

Notwithstanding anything else in this clause 6.6, the Business Board will still possess the residual power of Governing Council to take any action deemed appropriate concerning a matter within its responsibility in some unforeseeable circumstance and to determine what matters of business should come before it.

Members of the Governing Council are appointed to the Board annually by the Council. Other, or “co-opted”, members are appointed by the Board on the recommendation of its Striking Committee (see below). For the co-opted lay member seats, the Chair of the Governing Council and the Chair of the Business Board shall take particular responsibility for nominating candidates to the Striking Committee.
1. **MEMBERSHIP** (Cont’d)

1.2 **Term**

Terms normally begin on July 1 and continue to June 30.

Governing Council members are appointed by Council for one-year terms. They may be reappointed, subject to their continued membership on the Council.

Because Governing Council members may in any year fill all places on the Board for administrative staff, alumni, teaching staff and students, co-opted members from those constituencies are appointed for a one-year term only, which is renewable if the place is available the next year.

The co-opted lay member appointments are normally made for three-year terms, which are renewable for a second and, in exceptional circumstances, a third term. In making these appointments, the Board will seek an appropriate balance between continuity and renewal. The Board will also seek to establish a rotation so that the terms of office will be staggered and one third of the co-opted lay members’ terms will end each year.

1.3 **Chair and Vice-Chair**

The Chair and Vice-Chair of the Board are appointed by the Governing Council from among the members of the Council on the Board.

2. **QUORUM**

One-third of the voting members (usually 11 members).

3. **COMMITTEES**

3.1 **Standing Committees**

The Audit Committee reports to the Business Board.

3.2 **Special Committees**

The Business Board does not normally establish Special Committees. The President or the appropriate Presidential assessor has an obligation to tender advice and develop proposals for action on all matters within the terms of reference of the Business Board.
3. COMMITTEES (Cont’d)

3.3 Striking Committee

The Striking Committee, appointed annually by the Board on the recommendation of the Chair, shall recommend to the Board: (a) the appointment of co-opted members (members who are not members of the Governing Council) to the Business Board and the Audit Committee and (b) the Chair and Vice-Chair (if any) of the Audit Committee.

Membership of the Striking Committee consists of the Chair of the Board, ex officio, plus five members of the Board who shall be selected so that the Striking Committee includes at least one administrative staff member, one alumni member, one Lieutenant-Governor-in-Council appointee, one member of the teaching staff and one student member. The Chair of the Board serves as Chair of the Committee. The Board’s voting assessors are invited to attend meetings of the Striking Committee in an advisory capacity.

The Striking Committee meets in camera and its recommendations are considered by the Board meeting in camera.

4. FUNCTION

The Business Board is responsible for consideration of policy and for monitoring matters affecting the business affairs of the University.

(b) which Governing Council is required by statute or specific contractual obligation to approve; or

(c) which are reserved to Governing Council by these terms of reference, as amended from time to time by Governing Council.

The President or designate holds delegated authority to act for Governing Council with respect to approval of business transactions in the normal course of business.

Authority for approval in specific matters is as follows. The specific items below are intended to supplement, not limit, the general statements above in sections 4 and 5.

---

² This section provides that “Where the Council, with respect to any matter or class of matters, has conferred on any committee reporting directly to it authority to act on its behalf, and where, prior to the adoption by the committee of a resolution to determine the matter, the Chairman of the Governing Council, the Chair of the committee, the President (or an administrative assessor acting for the President), or the committee itself is of the opinion that the matter is major in significance with respect to the University as a whole or with respect to the public or fiduciary responsibilities of the Governing Council, the Chairman, Chair, President or committee, as the case may be, may require that the action of the committee be submitted to the Council for confirmation.” This provision does not apply to actions taken by the Board with respect to “agreements with the teaching or administrative staff of the University concerning the remuneration or benefits, terms of employment, rights or privileges available to employees of the University that are directly related to compensation or that are negotiated in a collective fashion for a class or group of employees of the University.”

---

\(^6\) For example, financial forecasts, reports on borrowing and reports on investment activities.

\(^7\) The Investment Committee (IC) is responsible for interacting with the UTAM Board, and as required, with the management staff of UTAM to convey the President’s views and instructions, and to act on the President’s behalf regarding relevant investment-related activities that are within the authority of the President. It is constituted so as to have significant expertise and the President and the UTAM Board have agreed that it can provide direct input to UTAM staff as they carry out their duties. For clarity, the IC is a committee of University management, not a committee of governance. UTAM is the University of Toronto Asset Management Corporation.

6. PROCEDURES

6.1 Meetings

The Business Board usually meets in open session but may, pursuant to section 33 of By-Law Number 2, meet in closed session or in camera when: (i) matters may be disclosed at the meeting of such a nature, having regard to the circumstances, that the desirability of avoiding open discussion thereof outweighs the desirability of adhering to the principle that meetings be open to the public; or (ii) intimate financial or personal matters of any person may be disclosed at the meeting or part thereof.

Pursuant to section 33 of By-Law Number 2, the Board routinely moves into closed session at the end of each meeting to consider receipt of any closed session reports from its assessors. Assessors are invited to report on any matters of a confidential nature and to initiate discussion on any policy matters at an early stage of policy development, before they wish to bring a recommendation forward for debate and approval.

6.2 Agenda

In establishing agenda for meetings of the Board, the Chair will usually be advised by an agenda planning group that includes the Vice-Chair and the voting and non-voting assessors. The proposed agenda for a meeting, together with background documentation, is reviewed at an agenda planning meeting, usually scheduled ten to fourteen days prior to the Board meeting.

6.2 Agenda (Cont’d)

Notwithstanding the usual procedure for establishing the agenda for meetings, matters may be added to the agenda of a current or subsequent meeting, as provided in sections 32 (d), (e) and (f) of By-Law Number 2, by: a vote of two thirds of the members present and voting to add a matter to the agenda of a meeting; a resolution to determine that a matter be included on the agenda of a subsequent meeting; a written request signed by at least 10% of the voting members and submitted at a meeting that a stated matter be included on the agenda of the next regular meeting; or a notice of motion approved by the Chair for inclusion on the agenda of a subsequent meeting.

6.3 Consent agenda

The Chair may determine that an item should be placed on a “consent” portion of the agenda. Those items are not given individual consideration by the Board, unless a member so requests. Rather, members with questions for clarification, or requests for further information, contact the assessor or other contact person shown on the item in advance of the meeting. Members with concerns who would like an item to be discussed by the Board should notify the Secretary at least 24 hours in advance of the meeting. Upon the request of any member, the matter will be considered by the Board in the usual manner.
6. PROCEDURES (Cont’d)

Where a consent item requires a resolution of the Board, and where no member has requested consideration of the item in the usual manner, the motion will be placed before the Board and seconded, and it will normally immediately proceed to a vote without introduction or discussion.

Where a consent item is for information only, and where no member has requested consideration of the item in the usual manner, the item will normally be taken as received by the Board without introduction or discussion.

6.4 Additional reports for information

To keep members abreast of developments in a timely manner, certain reports for information required by these terms of reference and others as decided by the Chair from time to time will be considered by the members of the Board following their electronic publication. Members will be notified once the reports are made available. Members who have questions about a report will be invited to contact the sponsor of the item. Members with concerns about the report who would like it to be discussed by the Board should notify the Secretary at least fourteen days in advance of the next meeting to enable consideration by the agenda planning group. The report can then be considered by the Board at that meeting in the usual manner.

6.5 Level of approval for matters coming before the Board

The Chair of the Board, with the advice of the Board’s agenda planning group and subject to the duly established authority of the Executive Committee of Governing Council, has the authority to interpret the terms of reference of the Board with respect to whether an item should be placed on the Board’s agenda for recommendation to the Governing Council, for approval, or for information and discussion.

Notwithstanding the above paragraph, where the Chair has determined that a matter is to come before the Board for approval, and prior to the adoption by the Board of a resolution to determine the matter, the Chair of the Governing Council, the Chair of the Board, the President or an administrative assessor acting for the President, or the Board itself, may, pursuant to section 31(d) of By-Law Number 2, determine that the matter is major in significance with respect to the University as a whole or with respect to the public or fiduciary responsibilities of the Governing Council, and the Chair of the Governing Council, the Chair of the Board, the President, assessor or Board, as the case may be, may require that the action of the Board be submitted to the Council for confirmation. Where a matter is referred to the Governing Council pursuant to this provision, the action taken by the Board shall not have effect unless confirmed by the Council.

This provision does not apply to actions taken by the Board under its delegated authority under section 31(b) of By-Law Number 2 to act on behalf of the Governing Council with respect to agreements with the teaching or administrative staff of the University concerning the remuneration or benefits, terms of employment, rights or privileges available to employees of the University that are directly related compensation or that are negotiated in a collective fashion for a class or group of employees of the University.
6. PROCEDURES (Cont’d)

6.6 Board and administrative responsibility

Given the nature of its responsibilities and the absence in the unicameral system of a collegial body with the statutory right to advise it, the Business Board normally exercises its powers (a) through judging proposals for policies, programs and major transactions brought forward by the President and the Board’s assessors, and (b) through monitoring reports from those officers on matters within these terms of reference.

The Board will normally rely on the President and the Board’s assessors to develop proposals and options for its consideration. The President’s responsibility as Chief Executive Officer would oblige him/her or his/her colleagues to advise the Business Board on all issues within its terms of reference.

The Board will normally accept or reject proposals from the President or the appropriate administrative assessor(s) or refer them back for further consideration of a particular aspect(s). The Board will not normally amend proposals developed by the administration, apart from minor amendments (a) that do not contravene the sense of the original motion or negate it, and (b) that are accepted by the President or the appropriate assessor.

6.6 Board and administrative responsibility (Cont’d)

The President or an assessor acting on the President’s behalf will have the right to withdraw from consideration any proposal the administration has made for action, prior to a final vote being taken on the proposal or on an amended version of the proposal, subject to the Board’s residual power to schedule an item for discussion or debate at a future meeting of the Board.

Similarly, in the event that a proposal is presented to the Board other than through an administrative recommendation, the President or appropriate assessor has the right to defer action until the next meeting of the Board.

Notwithstanding anything else in this clause 6.6, the Business Board will still possess the residual power of Governing Council to take any action deemed appropriate concerning a matter within its responsibility in some unforeseeable circumstance and to determine what matters of business should come before it.

Presidential Assessors .................................................. 3  

TOTALS ....................................................................... 29 63 22 115 

In addition to the *ex officio* members listed above, the Chair and Vice-Chair of the 
Governing Council, the President, and the Chancellor are *ex officio* voting members of 
the Academic Board. The Secretary of the Governing Council is an *ex officio* non-voting 
member of the Board. 

The President may appoint annually University Officers as non-voting assessor members 
of the Board in addition to the four voting assessors. 

1.2 Term

Terms begin on July 1 and continue to June 30. 

The Governing Council members of the Academic Board are appointed annually by the 
Governing Council and may be re-appointed subject to their continued membership on 
the Governing Council. Teaching staff and librarians are normally elected for three-year 
terms and are eligible to be re-elected. The non-Governing Council student members are 
appointed annually by the Board and may be re-appointed. The non-Governing Council 
administrative staff and alumni members are appointed by the Board for one- to three-
term members, and may be re-appointed. A member may serve a maximum of nine 
consecutive years on the Board. 

1.3 Chair and Vice-Chair

The Governing Council shall appoint the Chair and Vice-Chair of the Board from among 
the members of the Council on the Board. 

2. QUORUM

One-third of the voting members (normally 39). 

3. COMMITTEES

3.1 Standing Committees

The Standing Committees of the Board are:

- Agenda Committee
- Academic Appeals Committee
- Committee on Academic Policy and Programs
- Planning and Budget Committee
3.2 Special Committees

From time to time the Board may find it useful to establish Special Committees to consider particular issues. Special Committees are normally formed on the recommendation of the Agenda Committee, when, in the view of the Board, one or more of the following conditions exist:

a) an issue cannot be accommodated easily within Standing Committee schedules - either intense scrutiny is required in a relatively short time or thorough examination of complex issues is necessary over a relatively long period of time;

b) an issue does not fall readily under an existing Standing Committee - either because it is not clearly within any Standing Committee's terms of reference or because aspects of the issue cut across several bodies;

c) there is a need for the participation of experts not represented on the relevant committee.

A recommendation from the Agenda Committee to establish a Special Committee shall include terms of reference, an outline of membership, the anticipated reporting date and the date of disestablishment.

3.3 Striking Committee

The Striking Committee, established by the Agenda Committee, shall recommend annually and as vacancies occur to the Academic Board the non-Governing Council membership of the Board (except teaching staff and librarians, who are elected) and its Committees and various other appointments.14

4. FUNCTION

The Academic Board is responsible for consideration of policy in the academic area and for monitoring matters within its area of responsibility. In general, the Board is concerned with matters affecting the teaching, learning, and research functions of the University, the establishment of University objectives and priorities, the development of long-term and short-term plans and the effective use of resources in the course of these pursuits.

Except in purely academic matters (those specified in clauses 2(14)(g), (h), and (n)15 of the Act), the Board does not have final decision-making authority. In most instances,

14 Appointment of two members of the Academic Board to the Provost’s Advisory Committee on the Library recommended to the Board; on the recommendation of the President, the appointment of the Council of Ontario Universities’ Academic Colleague and Alternate recommended to the Board.

15 Clause 2(14)(g) refers to conducting examinations and appointing examiners, (h) refers to matters arising in connection with the award of fellowships, scholarships, medals, prizes and other awards for academic achievement, and (n) refers to the determination and regulation of standards for the admission of students to the University, the contents and curricula of all programs and courses of study and the requirements for graduation.
recommendations of the Board are confirmed by the Executive Committee on behalf of Council. Matters having significant impact on the University as a whole, those having serious steering effects on the development of a particular division or those having a major impact on the relationships amongst divisions and relationships between the University and the community at large, will normally require the approval of the Governing Council.

5. AREAS OF RESPONSIBILITY

A list of areas for which the Academic Board is responsible is provided in Section 5.1. An explanation of those matters which are brought forward directly to the Board for its consideration is contained in Section 5.2, followed by a list of matters brought to the Board through its Standing Committees in Section 5.3.

As outlined in the Report of the Chairman’s Advisory Committee on Governance (Appendix E, page 26, May 10, 1988), “except in purely academic matters (those specified in sections 2.14 (g), (h), and (n) of the University of Toronto Act, 1971), the Board does not have final decision-making authority. In most instances, recommendations of the Board are confirmed by the Executive Committee …” on behalf of the Governing Council. Matters having significant impact on the University as a whole will normally require the approval of the Governing Council.

This presentation will set out the strategic importance of prioritized capital projects as part of the University’s strategic and operational planning process so as to provide context for the Capital Projects expected to be coming forward to governance bodies in that year.” [SECTION 3.0]

Upon the request of any member, the matter will be considered by the Board in the usual manner.

Where a consent item requires a resolution of the Board, and where no member has requested consideration of the item in the usual manner, the motion will be placed before the Board and seconded, and it will normally immediately proceed to a vote without introduction or discussion.

Where a consent item is for information only, and where no member has requested consideration of the item in the usual manner, the item will normally be taken as received by the Board without introduction or discussion.

6.3 Additional Reports for Information

To keep members abreast of developments in a timely manner, certain reports for information required by these terms of reference and others as decided by the Agenda Committee from time to time will be considered by the members of the Board following their electronic publication. Members will be notified once the reports are made available. Members who have questions about a report will be invited to contact the sponsor of the item. Members with concerns about the report who would like it to be discussed by the Board should notify the Secretary at least fourteen days in advance of the next meeting to enable consideration by the agenda planning group. The report will be considered by the Board at that meeting in the usual manner.

3.2 Special Committees

From time to time the Board may find it useful to establish Special Committees to consider particular issues. Special Committees are normally formed on the recommendation of the Agenda Committee, when, in the view of the Board, one or more of the following conditions exist:

a) an issue cannot be accommodated easily within Standing Committee schedules - either intense scrutiny is required in a relatively short time or thorough examination of complex issues is necessary over a relatively long period of time;

b) an issue does not fall readily under an existing Standing Committee - either because it is not clearly within any Standing Committee's terms of reference or because aspects of the issue cut across several bodies;

c) there is a need for the participation of experts not represented on the relevant committee.

A recommendation from the Agenda Committee to establish a Special Committee shall include terms of reference, an outline of membership, the anticipated reporting date and the date of disestablishment.

3.3 Striking Committee

The Striking Committee, established by the Agenda Committee, shall recommend annually and as vacancies occur to the Academic Board the non-Governing Council membership of the Board (except teaching staff and librarians, who are elected) and its Committees and various other appointments.14
