Acknowledgment of Traditional Land

We wish to acknowledge this land on which the University of Toronto operates. For thousands of years it has been the traditional land of the Huron-Wendat, the Seneca, and the Mississaugas of the Credit. Today, this meeting place is still the home to many Indigenous people from across Turtle Island and we are grateful to have the opportunity to work on this land.

UTM OFFICE OF INDIGENOUS INITIATIVES

• Officially launched October 2022

• The office was created at the suggestion of the UTM Indigenous Table, which includes UTM Vice-President and Principal Alexandra Gillespie.

• The mandate of the new UTM OII is to expand the university’s appeal to a broader audience from Indigenous backgrounds and foster a stronger relationship with Indigenous communities.
The Indigenous Centre at the University of Toronto Mississauga works to support Indigenous students, staff and faculty at UTM as well as inspire future Indigenous students to a welcoming and inclusive UTM community. The Indigenous Centre works to promote equity and inclusion of Indigenous people among students, staff, faculty and throughout the campus.
